

# Manmeet Singh Bhullar School

## School Digital Citizenship Plan 2025-2026

This template is provided as an option for schools to use to create their Digital Citizenship Plan by October 31 of each current school year. Refer to the [Digital Citizenship Plan insite page](#) for support and resources. You can modify and use this template or create your plan in a different format as needed to support the needs of your school. School leaders use collaborative consultation to determine 2-3 long term goals for the school year and build upon them for long-term impact.

Please share a relevant version of your School Digital Citizenship Plan with parents and students on your school’s website.

**Relevant contextual information about your school and School Development Plan:**

- K-6 school with diverse population
- High population of EAL learners
- School Goal: Student learning will move forward with responsive feedback from teachers
- School Goal: Student sense of connection and belonging will increase

**Relevant evidence and data that informs your Digital Citizenship Plan:**

- K-6 students are using digital tools for learning
- Staff have identified safe and responsible as top priorities for a second year

School Digital Citizenship Plan						Progress		
Long Term Goal (e.g. spanning 8-10 months)	Competency (may be chosen from the CBE DC Competencies)	Short Term Goals (in support of the long term goal)	Outcomes	Activities & Resources	Measures	December	March	June
Students will understand how to protect their personal information and navigate digital spaces safely and responsibly.	Safe I know how to be safe online and create safe spaces for others in online communities	Students will learn how to protect personal information online	K-3: Students can name examples of personal information (name, address, school, password).  Students understand that they should <b>never</b>	<b>Classroom devices</b> (Chromebooks/ iPads)  <b>Login practice</b> with a focus on privacy (covering passwords, not	School Wide Admirable use policy consent form  Evidence of password safety during classroom practice.			

			<p>share this information with strangers online.</p> <p>Students log in and out independently without sharing passwords.</p> <p>4-6: Students can explain why personal data is valuable and how it can be used inappropriately.</p> <p>Students create strong passwords and keep them private.</p> <p>Students independently manage logins and security settings.</p>	<p>saying them out loud).</p> <p><b>Storybooks</b> about online safety</p> <p><b>Safe/Not Safe picture sort</b> (e.g., “sharing your password,” “telling an adult”).</p> <p><b>Password-strength workshop</b> (students build strong passwords using safe patterns).</p> <p><b>Case study</b> on phishing emails or scam messages.</p> <p><b>Digital safety scavenger hunt:</b> students identify secure websites, privacy settings, etc.</p>	<p>Teacher Pre-Post survey</p> <p>Student reflections and teacher observations.</p> <p>Alignment of safe online behaviours in Google Classroom environment, and other digital technologies.</p>

- Next Steps & Focuses for the Coming School Year**
- Notes to refer to when creating your next DC Plan
  - Notes to refer to when creating your next DC Plan
  - Notes to refer to when creating your next DC Plan

# BE SAFE ONLINE

## K–3 Version

### BE SAFE ONLINE:

- ✓ Keep your password private
  - ✓ Don't share your name, school, or pictures
  - ✓ If something feels wrong → STOP, LEAVE, TELL an adult
  - ✓ Only talk to people you know
  - ✓ Think before you click!
- 

## Grades 4–6 Version

### BE SAFE ONLINE:

- ✓ Protect your personal info (name, age, location, passwords)
- ✓ Use strong passwords and don't share them
- ✓ Watch out for scams, fake messages, and strangers
- ✓ Block, report, and tell an adult if something is unsafe
- ✓ Check if websites are real or reliable

# BE RESPECTFUL ONLINE

## K–3 Version

### BE RESPECTFUL ONLINE:

- ✓ Use kind words
  - ✓ Think about how others feel
  - ✓ Treat others online the way you do in class
  - ✓ Ask before you post or share
  - ✓ THINK before you type (is it kind?)
- 

## Grades 4–6 Version

### BE RESPECTFUL ONLINE:

- ✓ Communicate with kindness and empathy
  - ✓ Give positive, helpful feedback
  - ✓ No teasing, excluding, or posting hurtful messages
  - ✓ What you post can last forever
  - ✓ THINK: Is it True? Helpful? Inspiring? Necessary? Kind?
-
