Digital Citizenship Plan | 2026-2027

Manmeet Singh Bhullar School

Calgary Board of Education

Digital citizenship is about using technology and participating in digital environments. It is key to helping our students learn to use available technology responsibly in the classroom and beyond. This Digital Citizenship Plan addresses how we work to build a community where we live and work together as digital citizens.

Relevant contextual information about our school and School Development Plan:

- K-6 school with diverse population
- High population of EAL learners
- School Goal: Student learning will move forward with responsive feedback from teachers
- School Goal: Student sense of connection and belonging will increase

Relevant evidence and data that informs our Digital Citizenship Plan:

- K-6 students are using digital tools for learning
- Staff have identified safe and responsible as top priorities for a second year
