Principal Message

Prairie Sky - 130 students are here until the end of September as the modules in their school are still being built

Concern is parents are still parking where the buses stop in front of the school

- A lot of people are jaywalking to get to the school along with cars doing u-turns
- Parents are not to drive in the parking lot as it is for staff only during school hours
- A lot of students are driving e-bikes and e-scooters without helmets
- Students should also have supervision after school at the school grounds
- Calling 311 if there are any issues regarding problems at the school grounds after school hours

Can also put in a complaint online with the City of Calgary

School recipient for Alberta Arts Grant

- Fundraising mode to raise \$13,000
- Artist will be here in April and May
- Will be looking for different fundraising avenues in addition to Healthy Hunger Lunch

- 540 students currently registered in MSBS

Kindergarten to Grade 3

- Expectation of homework is literacy and reading
- Expectation is to play games at home in which literacy, reading and math are required

Grade 4-6

- Homework will start getting assignment

There is also extra practice exercises that are uploaded on Google Classroom

- This will also show what is being worked on in class and exercises
- Numeracy and Literacy games are a great way to make it fun for the kids
- Motor strength is a big one for the younger children
- Have the parents model the behaviour that we are looking for in our kids in terms of playing games
- Resources are available on school website

Picture Day October 1, 2025

Can subscribe to the school calendar through the website

CBE website is putting up webinars

Meeting adjourned 6:39pm
